Chair of EuroGeographics CLRKEN

Federal Office of Topography swisstopo

daniel.steudler@swisstopo.ch

Session N^o. | Presentation Title

Daniel Steudler holds a PhD degree from the University of Melbourne, Australia and is a scientific associate with the Swiss Federal Office of Topography swisstopo, working for the Federal Directorate for Cadastral Surveying. He has been active in FIG-Commission 7 for many years and was chair of the FIG-Task Force on «Spatially Enabled Society». He published widely in the cadastral field and consulted internationally in land administration and cadastral issues. Since March 2015, he is chair of the EuroGeographics "Cadastre and Land Registry" Knowledge Exchange Network.
