

BIOGRAPHICAL NOTE

Martin Salzmann

Netherlands' Cadastre, Land Registry and Mapping
Agency (Kadaster)
martin.salzmann@kadaster.nl

Session N°.3 | Cadastral and topographic information as
a foundation for planning, enabling and securing
ownership in solar and wind-based facilities.

Martin is strategy lead at Kadaster. He joined Kadaster in 1996, where he has held various advisory and management positions in the field of reference systems, cadastre, mapping, quality assurance, marketing, policy, and strategy. Currently he is actively involved in shaping the Netherlands' spatial data infrastructure, digitalisation of the public sector and strategic planning for the Cadastre.

He is a board member of Eurogeographics and is the past president of EuroSDR (European Spatial Data Research).
